 **COMPANION/FRIENDLY VISITOR VOLUNTEER**

Offer support, companionship and practical, caring help to a special group of people. Whether it's running errands, staying with the patient so family can take a break, reading to patients, or holding their hand, the help and support that our volunteers give is returned to them in countless ways. Visit patients in their homes or healthcare facilities.

 **BEREAVEMENT VOLUNTEER**

Provide telephone support and a listening ear for those who are making the journey through the grieving process. Specialized training is provided. Each person moves through grief at their own pace, and finding a person who will work with them in a non-judgmental way is a priceless treasure.

 **VIGIL VOLUNTEER**

This program is designed to serve "vigil" or patients who are actively dying without family or friends present. Specialized training is provided. At Hospice of the Miami Valley, our goal is no one dies alone.

 **GROUP VOLUNTEER OPPORTUNITIES**

Many opportunities exist for your group, club, or organization to become involved with hospice. Hospice of the Miami Valley will provide on-site training for any interested group.

Please call today for more information.
